

The New Social Dances: By Mlle. Anna Pavlova

The Boston: Lesson 2 The Spanish-Boston 1

You Cannot Learn the Spanish Until You Have Mastered the Plain Boston.

The Correct Position for the First Variation of the Spanish-Boston.

It Is Called the Spanish Because of Its Languorous Movements.

This article will take up the First Variation figure in the Spanish Boston, so-called probably because of the sliding of the feet and the languorous quality of the dance.

Commencing on the first beat of the music, the lady slides her left foot to the right, follows it with the right on the second count and points the left foot on the final, or pause, beat.

(Copyright, 1913, by the McClure Newspaper Syndicate.)

Miss Evelyn Hamilton

Dear Miss Fairfax: I am 18, and deeply in love with a young man one year my senior. Some time ago I said something I should not have said to him. I have written him an apology, but have not heard from him since.

Advice To the Lovelorn

By Beatrice Fairfax.

DON'T TRY.

Dear Miss Fairfax: I am 18 and deeply in love with a young man three years my senior. He declares he loves me, and me only, he flirts with every strange girl he sees.

part toward a reconciliation would mean. NO. Dear Miss Fairfax: I am 18 and deeply in love with a young man three years my senior. He declares he loves me, and me only, he flirts with every strange girl he sees.

(This is one of a series of articles especially written for The El Paso Herald by Mlle. Anna Pavlova, the greatest living premiere danseuse, who has posed with her dancing partner, Laurenti Novikoff, for each figure. The dances to be explained and illustrated are those now in vogue in society ballrooms.)

IT MAY sound somewhat paradoxical to say that the Plain Boston is a sort of chorus to the Spanish and Boston—the Spanish, the Skip and others—yet this is nevertheless the case. In other words, while the Plain Boston is complete in itself, despite its simplicity and brevity, it always is used with the other Boston fancy figures as a sort of preparation and conclusion to the open positions of the more intricate figures.

In my previous article I showed in detail how the plain Boston is nothing more than a forward and back arrangement of steps in three-four time, with a pause on the third count and the possibility of introducing the reverse, as in the Waltz.

Where Do the Women of the World Belong?

In a Happy Home, if They Have One, Says Dorothy Dix, but if Not, They Certainly Belong Among the Workers, Not the Hangers-On.

By DOROTHY DIX

SOCIETY WOMEN AWKWARD

Actress Says They Do Not Exercise, Walk or Sit Properly.

THE society women of this country are awkward, declares Miss Evelyn Hamilton, who essays the role of an American heiress in "The Rose Maid."

ty. When you are sure that you possess some measure of all three of these, it will still be time to begin the physical training.

MAN was expressing great satisfaction over the fact that the new Pennsylvania law limiting the hours a week that a woman may be worked has resulted in throwing thousands of women out of employment.

His rejoicing was not the result of any sympathy or compassion for the poor industrial slaves that have been forced to toil far beyond their strength. Nor was it inspired by any humanitarian sentiment toward the weakly, neurotic children that these exhausted mothers would bring into the world.

A Widow In Distress

Some Timely Advice By Beatrice Fairfax

Dear Miss Fairfax: I am a young widow, 28 years of age and for the past three years a man has been trying to induce me to marry him. I refused him repeatedly, telling him that I did not intend to marry any one. He induced me to promise that if I ever married I would marry him. Some time ago I met a man whom I love very much and married him. Since then the other man has become a wreck and says he cannot live without me.

This man who is anxious to have you think about him when he knows you are married and ought to forget him isn't worth anybody's thought—for a single minute.

Get Rid of Piles at Home

Simple Home Remedy, Easily Applied, Gives Quick Relief and Prevents All Danger from Operation.

Send for Free Trial Package and Prove It in Your Case. Don't even think of an operation for piles. Remember what the old family doctor said: Any part of the body out of place is gone forever.

Manufactured only by A. B. RICHARDS MEDICINE CO., Sherman, Texas

RHEUMATISM IS CURABLE

One 25c Vial of MUNYON'S RHEUMATISM REMEDY Usually Does It.

It is a mistake to believe that Rheumatism cannot be cured. My records show that it can. There is hardly a town or hamlet in the country from which I have not received reliable testimonials from those who have been greatly relieved or completely cured of Rheumatism of the joints, muscles, tendons and ligaments by a few doses of my little pellets.

Remember, my remedy is not the old-fashioned kind. It contains no salicylic acid, no opium, no other other drugs. It neutralizes the uric acid without poisoning the system. Try a bottle today, and get your money back tomorrow if you are not satisfied.

If you are constipated, use my Pape's Pills. They not only overcome indigestion, but they keep the liver active and improve your general health. Advertisement. MUNYON.
